

# How to: 'Sign in to a venue'

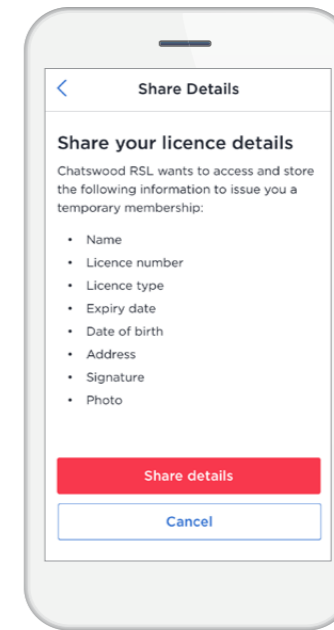

**1** Ask the licence holder to tap the vertical menu bar for more options and 'Sign in to a venue'.

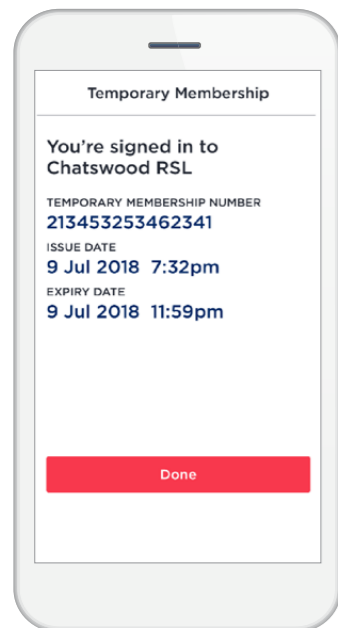

**2** Direct licence holder to the venue's QR code

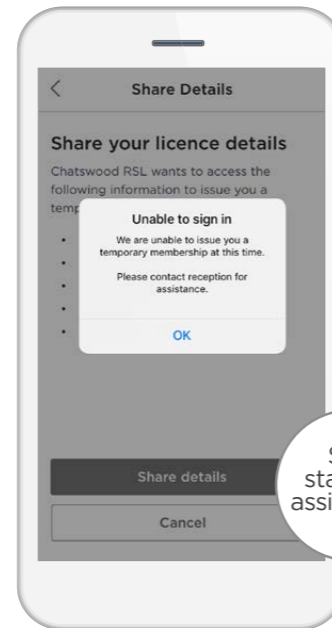

**3** Ask licence holder to scan by putting their camera up to the venue's QR code

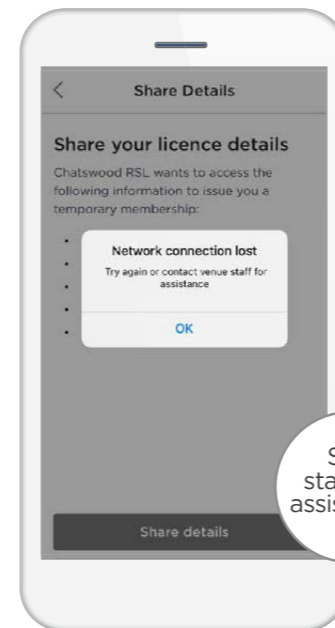

**4** Explain to licence holder that they will be sharing the following details with the venue if they consent.

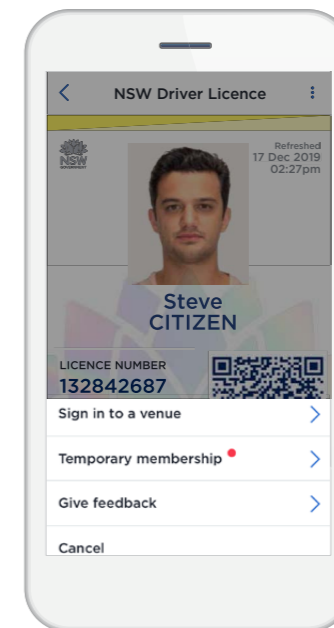

**4a** Temporary membership will be issued upon successful validation.

**4b** Licence holder won't be able to sign-in if the validation is unsuccessful or if holder doesn't consent.

**4c** Holders will receive this message if they lose network connection during the sign-in process.

**5** A record of temporary membership is located under the verticle menu under Temporary membership.
