# How to verify the Digital Driver Licence
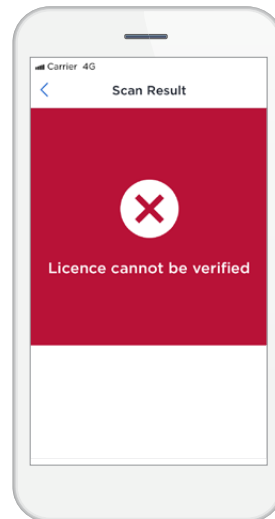

Service NSW

1 Download the Service NSW app on your smartphone. Open the app, select 'Verify Driver Licence' from the home screen.

2 The app will ask to access your camera, tap 'OK'.

**3** Focus the camera on the Digital Driver Licence QR code to scan.

4 The scanner will verify the QR code token and provide a result, either:

OR

OR

The name and under age indicator displays for under 18 licence holders

Digital Driver Licence QR codes reload after a period of time

5 Tap the screen to scan again.

6 If in doubt about the Digital Driver Licence, ask for the plastic card.
