# How to **verify** the NSW Digital Photo Card

1 Download the Service NSW app on your smartphone. Open the app, select 'Check a licence or credential', from the home screen.
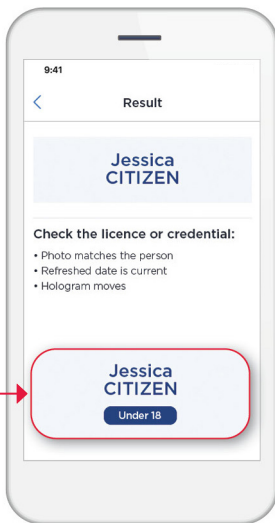

**2** The app will ask to access your camera, tap 'OK'.

3 Focus the camera on the Digital Photo Card QR code to scan.
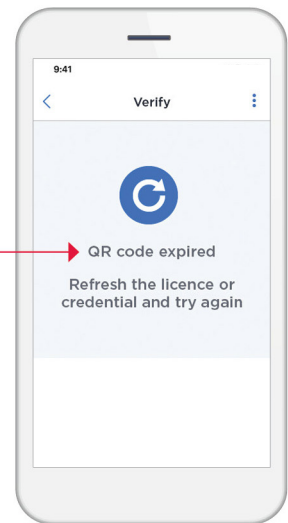

4 The scanner will verify the QR code token and provide a result.

Name is displayed, and the underage icon is shown for people under 18 years.

OR

QR code could not be verified

Digital photo card QR code reloads after a period of time.

5 Tap the screen to scan again.

6 If in doubt about the NSW Digital Photo Card, ask to see their plastic card.

Find out more at **service.nsw.gov.au** and search 'Digital Photo Card'
